

# nabenet health

**integrated workplace health services**

## **Division One Registered Nurses Mon-Fri casual work Flexible hours**

This is a fantastic opportunity for experienced Div 1 Registered Nurses to assist in the detection and prevention of chronic diseases. Nabenet Health is seeking self-motivated, passionate nurses to provide workplace health assessments within Victorian workplaces. Enjoy the challenge of using your clinical assessment skills and expertise by educating workers about the importance of healthy lifestyle choices to prevent chronic diseases.

Nabenet Health is one of Victoria's leading health providers. We provide a range of services in corporate health, including workplace health assessments and health promotion programs. These services are conducted at workplaces throughout Victoria, with the majority of the work being within metropolitan Melbourne. Ideal candidates must be well presented, with excellent organisational, communication and clinical skills.

### Position Requirements:

- Current registration with Nurses Board of Victoria
- Victorian drivers licence and registered vehicle.
- Computer literate
- Excellent clinical assessment skills.
- Experience working in an autonomous environment is desired.
