

nabenet health

integrated workplace health services

Exercise Physiologist(s) Monday - Friday casual work Flexible hours

This is a fantastic opportunity for experienced Accredited Exercise Physiologists (AEPs) to make a real difference. Nabenet Health is seeking self-motivated, passionate AEPs to provide workplace health assessments and deliver high quality health promotion programs within Victorian workplaces. Enjoy the challenge of using your clinical assessment skills and expertise in Exercise Physiology by educating people about the importance of a healthy lifestyle.

Nabenet Health is one of Victoria's leading health providers. We provide a range of services in corporate health, including workplace health assessments and health promotion programs. These services are conducted at workplaces throughout Victoria, with the majority of the work being within metropolitan Melbourne. Some regional travel may be required. Ideal candidates must be well presented, with excellent organisational, communication and clinical skills.

Position Requirements:

- Current registration as an Exercise Physiologist with AAESS.
- Victorian drivers licence and registered vehicle.
- Computer literate – Microsoft Access, Word and Excel.
- Excellent clinical assessment skills.
- Experience in an autonomous environment is desired.
