Integrated workplace health services

Job Placement Consultant

Nabenet is currently seeking a Job Placement Consultant to join its team.

Are you:

- Looking to work within a corporate environment working with some of the biggest businesses in Australia?
- Looking to work with a dynamic, high-growth market leader within the Occupational Rehabilitation Industry?

Company Profile

Nabenet is a market leader in the Occupation Rehabilitation Industry specialising in the management of workplace injuries and job placement services through early intervention and timely response with expertise in Victorian WorkCover and Comcare legislation.

Nabenet are a dynamic, growing Victorian based occupational rehabilitation provider seeking a motivated, experienced employment consultant on a full-time basis. The position requires the successful applicant to provide job placement services within the WorkCover industry offering NES (New Employer Services) programs to assist injured clients to return to work with new employers. The successful applicant must actively market the skills and aptitudes of individual job seekers to meet the employment needs and skill demands of employers. It is desirable to have experience and understanding of the Victorian WorkCover legislation along with the ability to complete Vocational Assessments.

You will be based in Melbourne but may be required to travel to regional locations as required.

Send CV to jessicarose@nabenet.com.au or contact (03) 9329 3898.
