

nabenet health

integrated workplace health services

Exercise Physiologist(s) Mon-Fri flexible hours Casual position

This is a fantastic opportunity for experienced Accredited Exercise Physiologists to make a real difference. Nabenet Health is seeking self-motivated, passionate EPs to provide WorkHealth Checks at workplaces in western and northern metropolitan Melbourne suburbs. Enjoy the challenge of using your clinical assessment skills and expertise in educating people about the importance of a healthy lifestyle to prevent chronic disease.

Nabenet Health is one of Victoria's leading health providers. We provide a range of services in corporate health and are an Endorsed Service Provider for WorkHealth. Ideal candidates must be well presented, have excellent clinical and communication skills and a desire to work in a different location each day.

Position requirements:

- Current ESSA accreditation
- Victorian drivers licence and registered vehicle
- Computer literate
- Excellent clinical assessment skills
- Experience in an autonomous environment is desired.
- Minimum availability three days per week
- Excellent communication skills
